RE: Daily Car Riders/Car Riders

In order to make the end of day transition go as smooth as possible with no misfortunes, parents/guardians who pick up their children daily as car riders need to complete the information at the bottom and return to the office as soon as possible. Your child should not report directly to your vehicle after September 8, 2017 unless the form is completed and returned to NMS.

The completed form will allow your child to be released at 2:18 pm every day and report directly to your vehicle (preferably on Flint Hill Road). In the event you will not be able to pick up your child, you will need to contact the school and we will inform your child to ride their assigned bus.

Please understand that we want to take all precautions that your child comes home safely to you. Forms must be completed and returned to the main office by September 8, 2017.

Best regards,

Jaime Webster, Principal
